CAROTA

PEPERONE

ARANCIONE

Colora questa frutta e verdura con arancioni diversi.

Sai che nei sondaggi di opinione l'arancione è un colore poco amato? Scrivi prima qui sotto in ordine di preferenza i tuoi colori preferiti, poi provate a scriverli in classe sulla lavagna per vedere a che punto della classifica si trova l'arancione.

L'idea in PIÙ

Con l'aiuto di un adulto, cerca su Internet il quadro *Mele e arance* di Paul Cézanne.
