

CODING - INVERNO

- SEGUI LE FRECCHE E SCOPRI DOVE È DIRETTO IL BAMBINO CON I PATTINI.

A 6x6 grid puzzle for a winter-themed coding activity. The grid contains various winter icons: a tree, snowman, girl on skis, Christmas tree, boy on skis, girl on skis, and another snowman. Above the grid are four orange arrows with numbers: a downward arrow with '2', a leftward arrow with '3', a downward arrow with '3', and a rightward arrow with '4'. A yellow arrow starts from a boy on skis at the top right and points to the top-right cell of the grid.

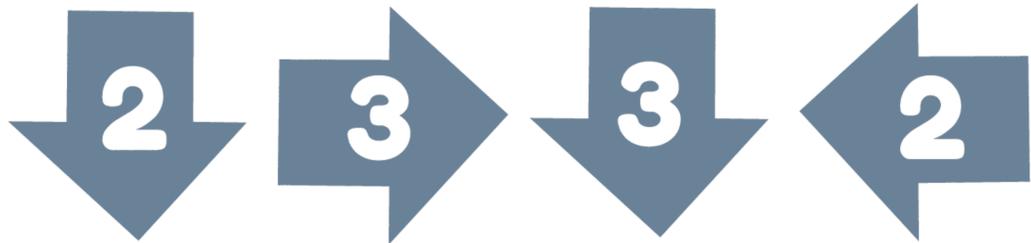

CODING - INVERNO

- SEGUI LE FRECCHE E SCOPRI DOVE È DIRETTO IL BAMBINO CON GLI SCI.

The grid is a 6x6 grid. The skier starts at the top left corner. A yellow arrow points down from the skier to the start of a path. The path is defined by four numbered arrows: 2 (down), 1 (right), 3 (down), and 2 (right). The grid contains various winter-themed icons: trees, flags, a cave, a finish line, and a purple tree.

- SEGUI LE FRECCE E SCOPRI DOVE È DIRETTO IL BAMBINO CON LO SNOWBOARD.

CODING - INVERNO

- SEGUI LE FRECCE E SCOPRI DOVE È DIRETTO IL BAMBINO CON LO SNOWBOARD.

A 6x6 grid coding puzzle. The grid contains various winter-themed icons: a bird wearing a Santa hat, a snow igloo, a snow-capped mountain, a blue fox, a snow cave, a snow-covered wooden cabin, a snowboarder, and several trees. A yellow arrow points from the snowboarder towards the top-right of the grid. Below the grid are four blue arrows with numbers: an upward arrow with '2', a leftward arrow with '1', an upward arrow with '3', and a leftward arrow with '3'.
