

Le rette

- Accanto a ciascuna retta scrivi se è orizzontale, verticale o obliqua.

- Ripassa in rosso le linee rette, in verde le semirette e in blu i segmenti.

Le rette

- Per ogni coppia di rette scrivi nei riquadri **A** se sono parallele, **I** se sono incidenti e **P** se sono perpendicolari.

Le rette

- Disegna una seconda retta in ogni riquadro in modo da raffigurare la coppia di rette indicate.
