

# La simmetria

- Colora la parte simmetrica di ogni figura con gli stessi colori.

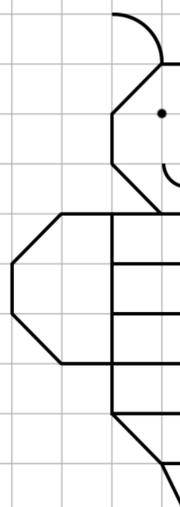

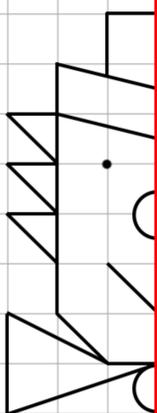

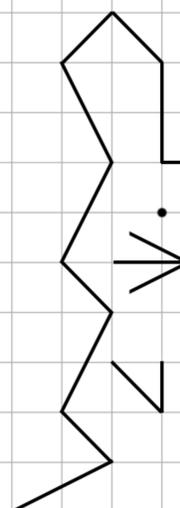

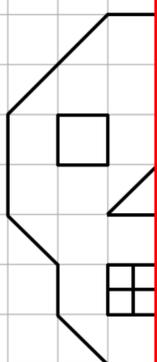

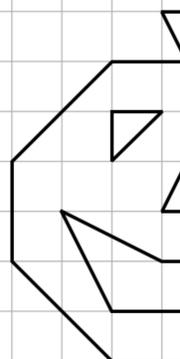

# La simmetria

• Traccia uno o più assi di simmetria per ogni figura.

# La simmetria

- Completa e colora in modo simmetrico.

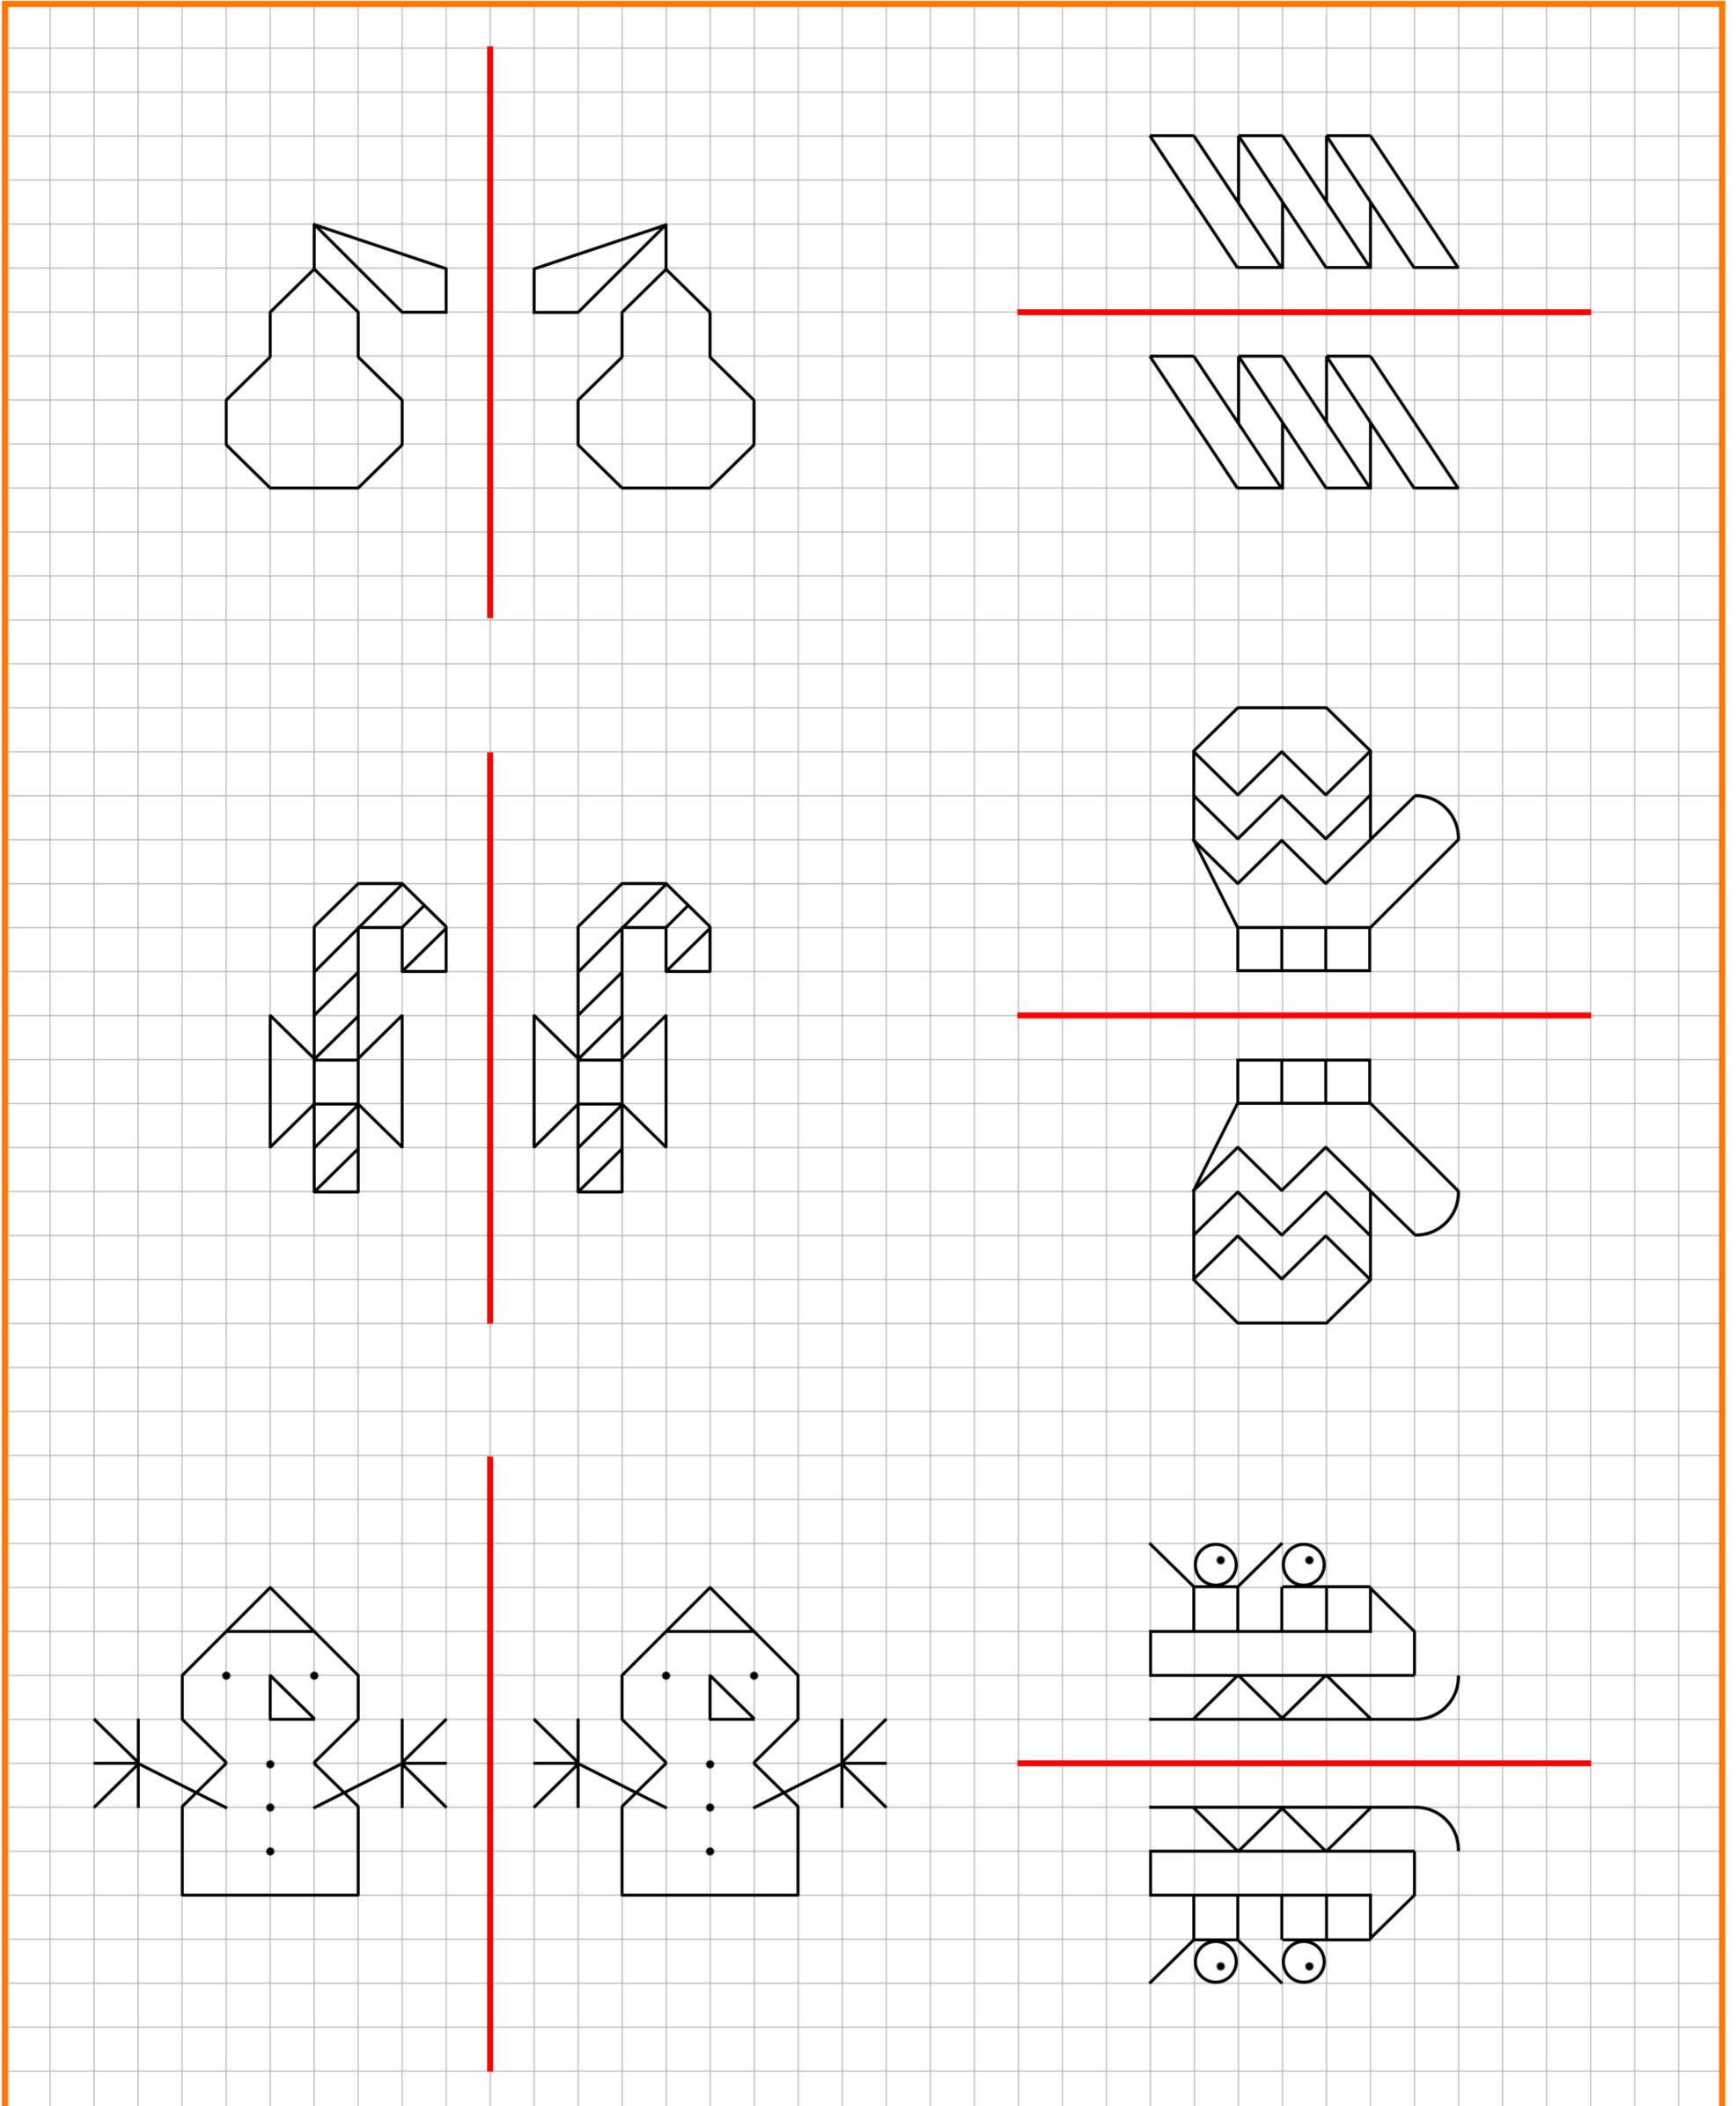

# La simmetria

- Completa disegnando in modo simmetrico.

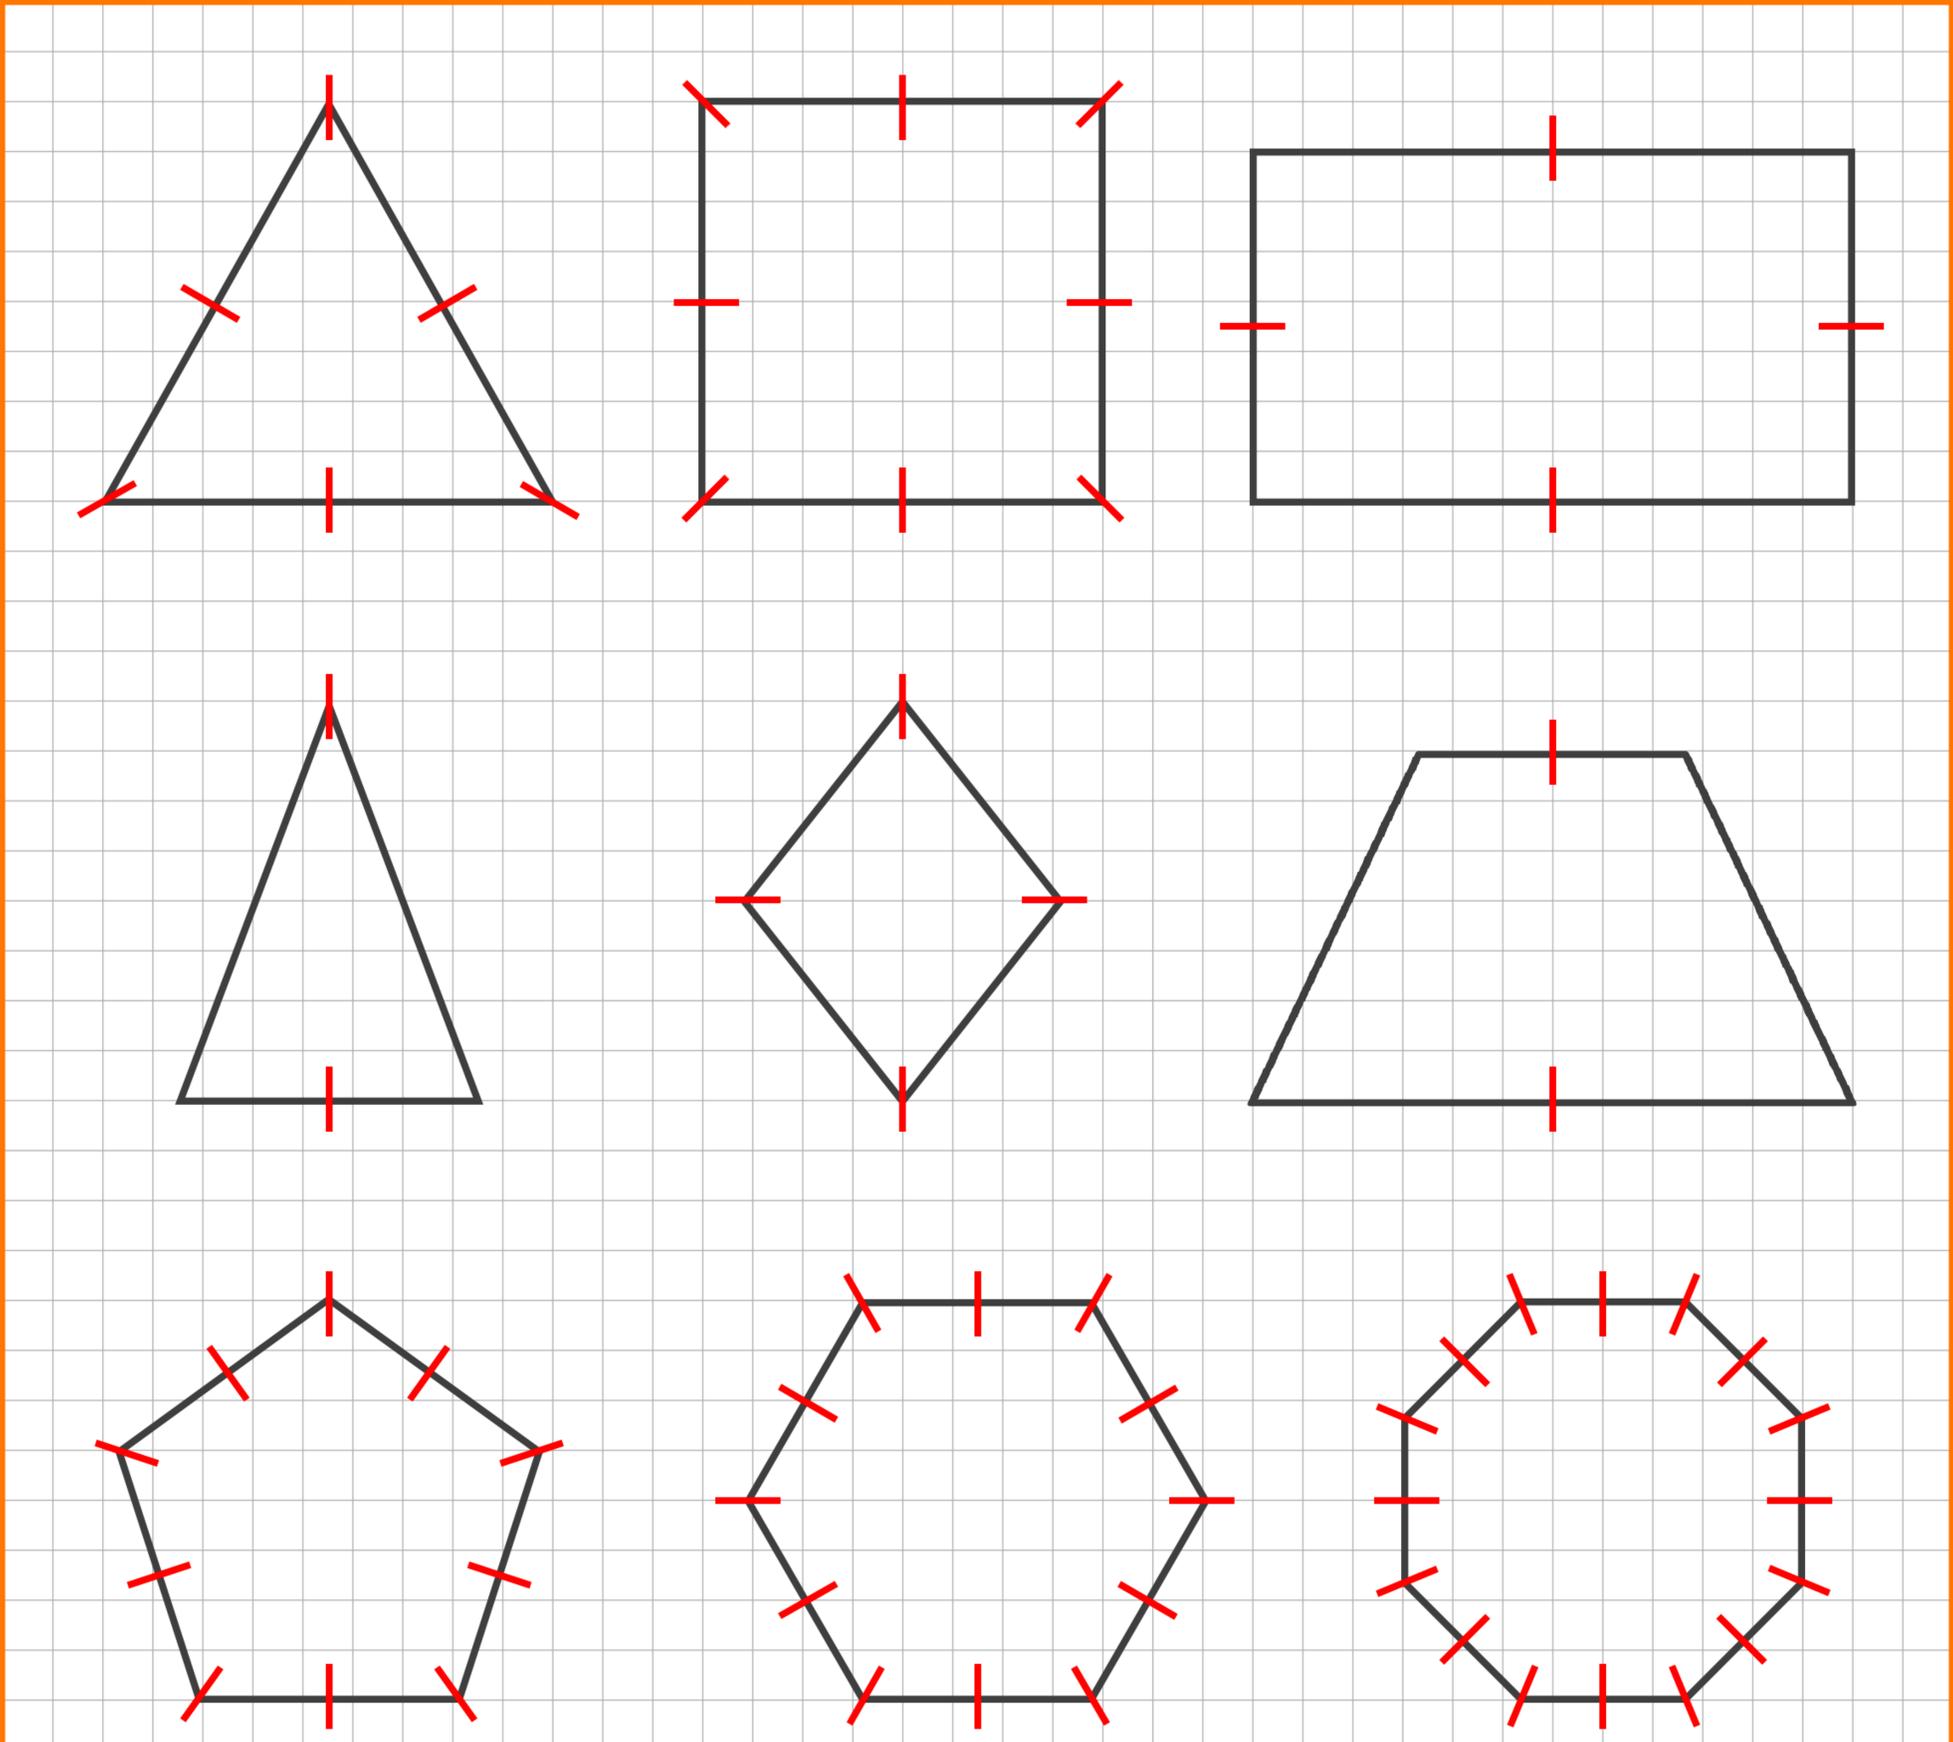

# La simmetria

- Osserva le coppie di figure e cerchia di rosso quelle tra loro simmetriche.

# La simmetria

• Traccia tutti gli assi di simmetria di ogni poligono aiutandoti con i trattini già segnati e il righello. Poi rispondi alle domande.

- In quali poligoni gli assi di simmetria sono tanti quanti i lati?

.....

- Come sono fra di loro i lati di questi poligoni?

.....

- E come sono gli angoli?

.....
