

THIS LITTLE PIGGY

This little piggy went to market.
This little piggy stayed home.
This little piggy had roast beef.
But this little piggy had none.
And this little piggy went
"Wee, wee, wee"
All the way home!

This little piggy kicked the football
This little piggy slid fast
This little piggy fell asleep
And this little piggy he passed
And this little piggy went
"Wee, wee, wee"
All the way home!

This little piggy drew some shapes
This little piggy dressed up
This little piggy counted numbers
And this little piggy read books
This little piggy went
"Wee, wee, wee"
All the way home!
